Business Hours: Rainbow Ridge Nursery is primarily a mail order nursery. Orders can be placed by mail, fax or email at any time of the year or by phone during normal business hours (10am to 4pm Monday to Friday except public holidays).

Payment Terms: Please make payment with orders unless other arrangements have been made. Mastercard, Visa and American Express facilities available.

Postage: For retail customers in NSW, VIC, QLD, SA, TAS, NT – allow $16.00 WA – allow $25 (covers express post, treatment costs and certification). WA customers please note that we understand that the WA Authorities are starting to charge for inspecting plants once they arrive in WA. Our charges listed above do not cover such costs.

Time of Delivery: PLEASE READ CAREFULLY:
Please note that iris will not be dug and mailed during the iris bloom season. Orders will be taken (with payment) for Tall Bearded and Median iris and plants will be despatched by mail as soon as possible after the bloom season has finished. Despatch usually commences late November but some orders may not be processed until after Christmas/New Year. In general, orders will be processed in order of receipt - so it is best to be early. Please indicate on your Order Form if you require pre-Christmas delivery and we will do our best. Please note: For retail orders from this catalogue, but excluding collections as offered on page 88, we will include gift plants in appreciation of your order.

Substitutes: If a particular variety is sold out, we will substitute to the closest colour and of equal or greater value (at no extra cost to the purchaser) unless explicitly requested not to do so.

Photos: Photos are indicative only.

Front Cover: Tall bearded iris FINAL DESTINATION
Welcome to our 2017 catalogue in which we offer a range of new tall bearded iris from John Taylor and Graeme Grosvenor and a wide selection of the latest and best iris from around the world. This printed catalogue is an abbreviated version of the full catalogue which is available online at our website www.rainbowridgenursery.com.au. The printed catalogue features all the photos included in the online catalogue plus some additional garden shots. We have included written descriptions for the new release TBs in this catalogue. Written descriptions for all other bearded iris, as well as extended cultural notes, can be obtained online.

We have had a very exciting 2015/2016 including receiving many awards for our iris. COAL FACE won the 2015 Dykes Medal. That makes 18 Dykes Medal wins for Graeme - a record that will stand for many years! RUSTY TAYLOR and RETURN TO CAMELOT where 1st and 2nd runners up. John's Louisiana Iris MINERAL SPRINGS was the winner of the 2015 ISA Medal. The Alan Johnson Medal (best Bearded Iris in the NSW Region trial garden) was given to Graeme's HELLO TEMPTATION while John's PCNI Seedling 14-62 won the Gordon Loveridge Medal (best Bearless Iris). Awards of Merit were received for TBs BANNOCKBURN, HELLO TEMPTATION, STRANGE HARMONY and RACING AT DUBBO. Champion exhibit at NSW Region Show was won by John with JAYCETTEE bred by Graeme and probably the best iris he has bred. Spectacular in the garden and on the show bench. We are also excited with the many new iris we have imported over the last few years from the US and now have growing on. Some appear in this year's catalogue and others will be released over coming years.

John’s garden, EIDOLIA PARK in Millthorpe, will be part of the 2016 Millthorpe Garden Ramble to be held over the weekend of Saturday/Sunday the 5th/6th November 2016 between 10am and 4pm. We will be there with a stall selling bare rooted TBs and potted Californian Iris. Plenty of seating and food will be available. EIDOLIA PARK is located at 75 Charles Booth Way Millthorpe.

John’s garden is spread over 15 acres and is landscaped with iris, roses and many different and interesting plants, shrubs and trees. For further details on the Garden Ramble, including entrance charges, please email: millthorpegardenramble@gmail.com or visit the website http://www.millthorpevillage.com.au. John's garden will also be open on the weekend before the Ramble on the 29th/30th October 2016, a great time to view Californian Iris and the early Tall Bearded Iris. John's garden will also be opened on the weekend after the Ramble on the 12th/13th November 2016, a great time to see the later TBs and roses. On these two weekends the garden will be open between 10am and 4pm. Again, we will be there with a stall selling bare rooted TBs and potted Californian Iris. Entry on these two weekends is by gold coin donation. Please note that EIDOLIA PARK will not be open to the public except on the open days listed above.

The NSW Region of the Iris Society of Australia will hold its 2016 annual show on Saturday and Sunday 22th/23rd October 2016 between 11am and 4pm on Saturday and between 9am and 3pm on Sunday at the BLACKHEATH COMMUNITY HALL, Great Western Highway, BLACKHEATH. We will be there with a stall selling bare rooted TBs and potted Californian Iris.

We hope you enjoy our new catalogue and we look forward to seeing you in the spring.

Sharon and Scott Drinkwater
Bearded iris (tall bearded, medians and dwarfs) are hardy perennials grown from rhizomes. They are ideal plants for the southern states (VIC, TAS, SA), inland and high country areas of NSW and QLD, coastal NSW south of the central coast and Southern WA. They are not well suited to northern coastal NSW or coastal Queensland.

Bearded iris like cold winters and fertile, alkaline soil. Bearded iris should be planted in open positions that get as much sun as possible. Avoid the use of animal manures near the rhizomes as this may induce rot. We incorporate a small handful of an 8-9 month slow release fertilizer at planting time. Rhizomes are best planted 30cm-50cm apart and such that the top of the rhizome is at ground level. For best results, planting should be done between November and April but bearded iris can be moved at any time of the year without risk of loss. Clumps should be lifted and divided every 3-4 years.

Once planted the rhizomes should be well watered in for about three weeks to a month and then treated as a normal garden plant.

Bearded iris are classified according to height of bloom spikes and bloom period. Dwarfs grow to a maximum height of 40cm, medians from 41cm-70cm and tall bearded are above 70cm in height. The dwarfs flower first followed by the medians with the talls the last to flower. Tall bearded can be chosen for their successful cultivation in the Sydney district.

The time of bloom indicated in the descriptions in this catalogue is when they bloom for us and height of spike is approximate for our growing conditions. Whether a variety reblooms is also based on our experience. There will be variation from area to area and garden to garden.

**TALL BEARDED IRIS - New Releases**

**ANYTIME NOW** (Taylor 2017 Seedling J11-3 M-L 80cm) Colour gem with blue violet blended standards, buff yellow styles with violet stigmatic lip and yellow falls with a large central violet area, veined blue. The beards are white tipped orange. Good garden iris, healthy and vigorous. Spikes carry 6 to 7 buds. PARTY’S OVER X DECADENCE $60

**FINAL DESTINATION** (Taylor 2017 Seedling J11-11 M 80cm) Basic colour is violet with a rose pink influence. The falls have a paler violet edge, rusty hafts and white beards tipped orange. This iris comes from a cross yielding over 20 re-selects and has been selected for release on the basis of its excellent growth and good garden performance. SAFARI SUNSET X ADLEMI $50

**JANE’S EMMA** (Taylor 2017 Seedling J11-3 M-L 80cm) Colour gem with blue violet blended standards, buff yellow styles with violet stigmatic lip and yellow falls with a large central violet area, veined blue. The beards are white tipped orange. Good garden iris, healthy and vigorous. Spikes carry 6 to 7 buds. PARTY’S OVER X DECADENCE $60

**JANE’S EMMA** (Grosvenor 2017 Seedling F54-1 E-M 92cm) Already crowned as champion seedling at the NSW Regional Iris Show, JANE’S EMMA is a colourful delight in pastel tones. Sweetly fragrant, JANE’S EMMA’s standards are salmon pink with a tan and soft violet overlay. Falls are blended white, mauve and pink with salmon hafts and a pink tan rim. Style arms are clearly displayed and are salmon pink in colour while the whole flower is lit up by red beards. Branching and bud count are good as is its general garden performance.

**PARTY’S OVER X DECADENCE** $60

**LORD OF BURGUNDY**

**SAFARI SUNSET X ADLEMI** $50

---

**JANE’S EMMA**

**LORD OF BURGUNDY**
LORD OF BURGUNDY (Grosvenor 2017 Seedling D157-04-2 M-L 90cm) Beautifully formed and ruffled dark burgundy self with bronze beards. Strong growth but not a quick increaser. Quality spikes display this colour gem to perfection.

ROGUE'S GALLERY X ENNOBLE $45

LUCY IN THE SKY (Taylor 2017 Seedling J6-1 E-M 90cm) Pure, pristine white blooms with a blue edge to the falls and white beards are the start to its attributes. Add to this the excellent growth and the wonderful show spikes with 3, often 4, well displayed open blooms and you have a classic. Superb in every way.

LOVE MATCH X (PERFECT UNION X QUEEN’S CIRCLE) $60

MARCH IN TIME (Taylor 2017 Seedling J5-4 M 85cm) A tangerine beard lights up this very vibrant iris in violet tones with wine falls flushed violet. Great colour and a garden stand out.

IMPULSIVE X JAZZ BAND $45

MAXIMUS (Taylor 2017 Seedling 12J23-2 M 90cm) GYPSY LORD has produced many quality seedlings and here we have one with lovely form and beautiful colour. The standards are blue-violet and the falls are darker violet with a paler edge. The flower is enhanced by white beards tipped red. Garden performance, health and vigour are very good.

(WINE FROM THE VINE X LYZ TAYLOR) X GYPSY LORD $55

MOUNTAINS AND PLAINS (Taylor 2017 Seedling 12J11-5 M 95cm) This is a sister seedling to FINAL DESTINATION and of equally unique but different colouration. Greyed violet standards are darker at the midribs and yellow at the top edge. The falls are mustard yellow, darker at the midribs and the beards are yellow tipped orange. This cross has given numerous quality sister seedlings that show great diversity of colours.

PARTY’S OVER X DEcadence $60
PLAY THAT JAZZ (Taylor 2017 Seedling 12J5-2 M-L 80cm) This iris is a sister seedling to MARCH IN TIME but is oh so different. None the less, it is equally colourful having apricot standards, blended purple wine falls with a paler edge and vibrant tangerine beards. Slightly shorter in stature, it has a lovely garden effect, assisted by its health and vigour. Shorter iris are popular because they stand up well to adverse weather conditions and this one is recommended. Very popular colour combination.

IMPULSIVE X JAZZ BAND $50

PRINCESS KAELYN (Taylor 2017 Seedling G8-1 M 91cm) Classically bred, PRINCESS KAELYN has pink standards and much paler pastel pink combined with white falls. These colours are highlighted by darker pink rims and hafts and a rich red beard. Quite vigorous growth and lots of bloom from plants that are healthy and produce a mass of quality spikes. GROSVENOR SDLG A170-8;((RIBANDS X ROMANTIC MOOD) X AUSTAR PINK) X TAYLOR LOUISE $45

RIPPLING ALONG (Taylor 2017 Seedling 14L214-1 E-M 100cm) There were several quality seedlings from the cross but RIPPLING ALONG was, by far, the best. In tones of yellow and white this iris has pale yellow standards, white falls with a pale yellow edge and yellow beards. As expected, the form is excellent and this coupled with show branching, good growth, increase and vigour makes RIPPLING ALONG a quality release. We love it! THAT’S ALL FOLKS X RIPPLING RIVER $60

RIVERINA (Taylor 2017 Seedling 14K47-1 M 85cm) What great colour and what a showy sparkling garden iris. Standards are yellow with irregular touches of red on the edges. Falls have a yellow ground with red veins and edge and yellow beards. Shorter, compact growth adds to its garden
appeal and RIVERINA is vigorous and a good grower. It's standout colour and patterning will make this iris very popular. SLOVAK PRINCE X DARK DRAMA $55

SANDRA ROSS (Taylor 2019 Seedling F30-08-1 M-L 95cm) Classically bred from Dykes Medal winners HELEN DAWN (Grosvenor) and SEA POWER (Keppel), SANDRA ROSS is a white of the highest quality in all aspects of iris culture. This pure white iris produces quality show spikes and is named for the well-known and much admired gardening personality. We expect it will perform to the quality level of its namesake. HELEN DAWN X SEA POWER $55

SMOKEN UP (Taylor 2017 Seedling 14L64-1 M 100cm) Violet purple standards, slightly paler falls with a darker edge and mustard yellow hafts are lit up by orange beards. Excellent garden performance and quality blooms add to the appeal. Bread from two brilliant Grosvenor iris. CUDAL X ADLEMI $55

SQUARE PEG (Grosvenor 2017 Seedling D21-04-X M 93cm) Rich apricot melon standards with an apricot edge. Falls are apricot peach with a small white area below the tangerine beards. There is a darker edge at the base. Blooms are very ruffled, laced and have a slight fragrance. Growth and general garden performance are satisfactory. IT’S MAGIC X TAYLOR LOUISE $45

SUMMER OF LOVE (Taylor 2017 Seedling 14K3-1 M 95cm) High quality iris is a ruffled and laced yellow with a white waterfall blaze below the yellow beards. This colour combination is somewhat overdone but we just had to release this super iris because of all its superior qualities. It has great breeding potential because of the colours involved in its pedigree. ALL ABOUT SPRING X JAZZ BAND $55

See the Introduction for dates for the show and open days.

Californian iris, also referred to as Pacific coast iris, are native iris of the west coast of the US. They are, in general, evergreen and form small, compact plants that send up flowering spikes from early to mid spring. Foliage varies in height from 20cm to 45cm. Bloom sits beautifully above the foliage.

While they are found in the foothills of higher ranges, Californian Iris are not alpine plants. They prefer high winter and early spring rain followed by long dryish summers. They tolerate cold in the winter and relish heat in the summer. While full sun is satisfactory in all but the hottest climates, most of these irises will grow best in a semi-shaded position.

Care must be taken when dividing and replanting to have only young divisions and only when the new white roots are forming in late autumn, early winter. (mid May to early June). When planting it is very important not to let the root system dry out, and once planted the ground should be kept damp until the plants are actively growing.

Feeding Californian iris consists of a 9 month slow-release fertilizer in mid to late May and then a light feed with a general rose food in early spring. Californian iris can be used extensively in different garden situations. They can be used to give spectacular displays over a long period either as mass plantings in large garden beds or as long rows along paths or driveways. They are also great as feature or spot plantings among other perennials or annuals, they shine like beacons. Another great use is under planting for standardised plants in circular or square beds.

Because these irises grow so well in pots, they can be grown to large potted specimens or used as companion plants in pots of various sizes with other perennials or annuals.

Plants come in a wide range of warm and cool colours - yellow, orange, gold, russet, red, white, shades of blue, violet and purple through to black. There are also pink, apricot, mauve, peach, orchid and heliotrope. With their veining and signal patches many of the Californian Iris are bicolours and bitones. Blending and contrasting styles also add to the beauty.
